**WELCOME TO OUR  
61TH ANNUAL  
YUGOSLAVIAN  
SABOR!**

DOBRODOŠLI NA  
61. SABOR  
DIJASPORE!

---

**FROM GUEST SPEAKER,  
JEFFREY ROSARIO**

Welcome to Sabor 2024! I'm looking forward to this spiritual renewal that God has in store for us all. We are gathering to be enriched by the influence of the Holy Spirit and the Word of Christ. That's why we are focusing on the glorious stories found in the Book of Acts. The world has changed enormously since the days of the early Christians, but human nature has not changed, and the good news of the Gospel continues to be as relevant as ever. My hope is that as we journey back to explore the experience of the church from two thousand years ago, that we would catch their fire and breathe new life into our Christian experience in this modern world.

**FROM SABOR CHAIRMAN,  
RANKO STEFANOVIĆ**

Welcome to our Sabor Dijaspore 2024! I want to express my heartfelt thanks to God for giving us another opportunity to gather and worship in songs, prayer, and studying His word. Whether you are young, older, a regular, or a first-time visitor at our Sabors, we hope this year's Sabor will be a joyous event. While we are grateful to God for granting us another year of life and another opportunity to see each other's faces, we also think of those not with us any longer, who went to sleep with the hope of that great reunion at the Second Coming. May this Sabor be a foretaste of that great "Sabor" on the sea of glass when we'll sing together the song of praises to the Lamb knowing there are no more goodbyes or separations. It is my desire that the Psalmist's words are fulfilled in our midst as we spend time with each other: "How good and pleasant it is when brothers (and sisters) live together in unity" Ps. 133:1.

**FROM PROGRAM COORDINATOR,  
ZORAN SUDAREVIĆ**

Želim srdačnu dobrodošlicu svima na još jedan sabor na Andrews. Zahvalan sam Bogu da smo, pored svih prepreka koje smo imali ove godine, ipak uspjeli da organizujemo ovaj sabor. To je samo još jedan od mnogobrojnih dokaza da je naš Bog veći od svih problema i prepreka. Na kraju svega možemo zajedno sa apostolom Pavlom da kažemo "Sve mogu u Isusu Hristu, koji mi moć daje." (Filipljanima 4:13)

**BIO**

Jeffrey is originally from Miami, Florida where his family settled after immigrating from the Dominican Republic. At the age of seventeen he had a spiritual encounter when reading the Bible, which led to his decision to be baptized. He has taught courses and seminars on religion for over twenty years at college campuses, conferences, and churches throughout five continents. His ministry experience includes serving as pastor, evangelist, discipleship trainer, and instructor for Light Bearers ministry.

Jeffrey currently lives in Los Angeles and serves as Assistant Professor of Religion at Loma Linda University. He received his MA in Religion at Yale University with a concentration in the history of Christianity. He completed his PhD in History at the University of Cambridge where his research focused on religion's complex role in shaping and influencing the trajectory of society and politics. His writing has been published in academic publications and in platforms like Washington Post. Jeffrey is married to Marianna, who is a medical professional specializing in nurse anesthesiology.

## FRIDAY EVENING | PETAK UVEČE: "UNQUALIFIED, YET CALLED"

**Scripture Reading:** Acts 1:1-4

**Synopsis:** The first chapter of the Book of Acts paints a sobering picture of the kind of church to which Jesus entrusted the gospel. Discouragement, disappointment, fear, confusion-- this was the condition of the church in the aftermath of the crucifixion. Yet it was these same pitiful disciples and those who joined them who would "turn the world upside down." God is in the business of working with messy people who don't have it all figured out yet who are willing to journey with God in a broken world.

## SABBATH MORNING | SUBOTA UJUTRO: "MAKE SURE THEY KNOW YOUR NAME"

**Scripture Reading:** Acts 19:11-41

**Synopsis:** With so much fake Christianity in the world today, it can be difficult to distinguish the phony from the genuine. This was also true in the early days of the New Testament church. Christians faced challenges from both the religious sector and the pagan society around them. They carried an undeniable testimony that arrested the attention and drew people to a new and vibrant knowledge of God. Yet it wasn't mere information, for they insisted that it's not what you know, it's who you know.

## SABBATH EVENING | SUBOTA POPODNE: "ARE YOU GREAT?"

**Scripture Reading:** Acts 9:36-42

**Synopsis:** What does it mean to be "great"? How does God measure "greatness"? The story of Tabitha introduces us to a different kind of greatness, the kind that God values but this world overlooks. Early Christianity had its superstar preachers, like the Apostle Paul. But the Book of Acts also draws attention to those lesser-known disciples who are also "great" in God's eyes. We all have unique talents that could glorify God and bless the world. Rather than waiting to do some great thing, we are called to do ordinary things in extraordinary ways.
