**WELCOME TO OUR  
63RD ANNUAL  
YUGOSLAVIAN  
SABOR!**

DOBRODOŠLI NA  
63. SABOR  
DIJASPORE!

---

**FROM GUEST SPEAKER,  
PASTOR NEMANJA BORIČIĆ**

Srdačan pozdrav, draga braćo i sestre!

Iskreno sam zahvalan Bogu i vama na ukazanom pozivu i prilici da učestvujem na ovogodišnjem saboru dijaspore na Andrews University. Verujem da će zajedništvo u reči, molitvi i slavljenju doprineti našem duhovnom ohrabrenju i učvršćivanju u hrišćanskom pozivu. Radujem se susretima, razmeni iskustava i blagoslovima koje Gospod priprema za sve nas.

Greetings, dear brothers and sisters!

I am sincerely grateful to God and to you for the invitation and the opportunity to participate in this year's Sabor at Andrews University. I believe that togetherness in words, prayer, and celebration will contribute to our spiritual encouragement and strengthening in our Christian calling. I look forward to meetings, exchange of experiences, and blessings that the Lord is preparing for all of us.

**FROM ADVISORY BOARD COORDINATOR,  
PASTOR MILENKO TANURDŽIĆ**

Welcome to the 63rd Annual Sabor! We are grateful to God for the blessing of gathering once again as one family of faith. This year's theme, "The Human Mind and the Conflict Within," with a major question "Who Does Our Mind Really Belong To?" invites us to reflect on the inner spiritual struggle we all experience and the victory we find in Christ. As we come together in worship, fellowship, and the study of God's Word, may our hearts be encouraged and our minds renewed. Let us cherish each moment - lifting our voices in praise, sharing in joyful fellowship, and getting closer to each other in the community of faith. It is our prayer that this special Sabor will draw us closer to God and to one another, strengthening us to walk faithfully and victoriously in Him, bringing us closer to Jesus' Second Coming and to the fulfillment of our blessed hope in Christ.

**FROM SABOR PROGRAM DIRECTOR,  
PASTOR SAŠA ANDJELKOVIĆ**

Welcome to the 63rd Sabor of our churches in North America! The Lord has richly blessed us all and wonderfully guided us over the past year, and that is why we have gathered this weekend to give Him glory and praise together. My desire and prayer is that the time we spend together will uplift us spiritually, refresh us socially, and prepare us for new challenges in life and mission. Thank you for coming!

## FRIDAY EVENING | PETAK UVEČE: "BITKA ZA UM U VREME EKRANA"

**Scripture Reading:** Efescima 5:16

**Synopsis:** Tema "Bitka za um u vreme ekrana" razmatra izazove savremenog digitalnog doba i njihov uticaj na ljudski um, i duhovni život. U vremenu kada je čovek izložen neprekidnim stimulansima i sadržajima, umesto da promišljamo, sve češće reagujemo, a umesto da stvaramo, postajemo pasivni konzumenti sadržaja. Savremene tehnologije, iako korisne kao alat, postale su izvor raspršenja pažnje i unutrašnjeg nemira. U svetlu biblijskog poziva da "koristimo vreme" jer su "dani zli" (Efescima 5:16), naglašava se potreba za mudrim i odgovornim življenjem u digitalnom dobu.

## SABBATH MORNING | SUBOTA PRE PODNE: "UM POD BOŽIJOM VLAŠĆU"

**Scripture Reading:** Danilo 1:8,9

**Synopsis:** Tema "Um pod Božijom vlašću" razmatra pitanje kako da ostanemo "vladari svoga srca" u svetu u vremenu kada se odvija "rat za um i pažnju". Božija vlast u čovekovom srcu donosi istinsku slobodu i osposobljava ga da vlada sobom umesto da bude vođen spoljašnjim uticajima. Primer Danila iz Vavilona pokazuje da je moguće živeti u svetu koji nije u skladu sa Božijim vrednostima, a ipak ostati veran, čistog karaktera i usmeren ka Bogu. Iako je bio izložen pritiscima, Danilo je svesno oblikovao svoj život kroz vernost, molitvu, proučavanje Božje reči i doslednost u svakodnevnim izborima. Uz Božiju pomoć možemo živeti slobodno, verno i svesno usmereni ka večnim vrednostima.

## SABBATH AFTERNOON | SUBOTA PO PODNE: "TREZVENOST U SVETU OPIJENIH"

**Scripture Reading:** 1. Petrova 4:7

**Synopsis:** Tema "Trezenost u svetu opijenih" govori o čovekovoj sklonosti ka zavisnostima kao pokušaju da ispuni unutrašnju prazninu i izbegne besmisao. Zavisnost tako postaje znak dublje duhovne potrebe i udaljenosti od Boga, dok savremeni način života tu prazninu često još više produbljuje. Nasuprot tome, biblijska trezenost nije samo uzdržavanje, već život ispunjen Božijom prisutnošću, mirom i slobodom u Hristu. U zajedništvu sa Bogom čovek pronalazi istinsku puninu i stabilnost, oslobađajući se svega što njime vlada. Isus i danas nudi "vodu života" koja trajno utažuje našu unutrašnju žeđ.
